At this **free** interactive training participants will:

- Learn or update their knowledge on current food assistance programs.
- Interact with experts who will provide up-to-date information on food assistance programs.
- Gain insight on how best to access local services to assist clients in obtaining and maintaining benefits.

This training is free and open to community-based organizations, childcare programs, school and afterschool programs, youth-based organizations, health and dental clinics, and direct service providers.

Registration deadline is Friday, August 17, 2018

Seating is limited. Register today!
