

BUILDING HEALTHY, SAFE COMMUNITIES
Where people live, learn, play and work

FREE Trainings on:
Baby Behavior

*For Registered Nurses, Registered Dietitian Nutritionists
& other Lactation Professionals*

“Watch, Listen and Learn. Your shared language will start forming on Day 1” from the Secrets of Baby Behavior.

Jane Heinig, PhD, IBCLC, serves as the Executive Director of the Human Lactation Center at UC Davis. She is an Academic Administrator at UC Davis’ Nutrition Dept. where she conducts research in the areas of clinical lactation, education, policy development, program evaluation and infant nutrition. She will be sharing the most recent evidence based research about Baby Behavior in these two sessions:
