

“Watch, Listen and Learn. Your shared language will start forming on Day 1” from the Secrets of Baby Behavior

BABY BEHAVIOR TRAINING (VIRTUAL) FOR PROFESSIONALS WORKING WITH INFANTS AND CHILDREN

By Jane Heinig, PhD, IBCLC

Jane Heinig, PhD, IBCLC, serves as the Executive Director of the Human Lactation Center at UC Davis. She is an Academic Administrator at UC Davis Nutrition Dept. where she conducts research in the areas of clinical lactation, education policy development, program evaluation and infant nutrition. She will be sharing the most recent evidence-based research about Baby Behavior in these two sessions.
