### Description

**Immigration Matters & Know Your Rights**  
This workshop, presented in partnership by the Office of Immigrant Relations, supports providers' understanding of the political climate as well as rights immigrant communities have and could claim if/when appropriate.

### **Santa Clara County: Local Demographics & Policy Implications**

An overview of county demographic shifts covering all populations: language, immigration, socio-economic, geography and services gaps. The presentation will focus on institutional over-representation in some communities and the under-representation in others.
