1:30 p.m. - 4:30 p.m.

## Location

FIRST 5 Santa Clara County  
4000 Moorpark Ave.  
Community Room, Suite 100  
San Jose, CA 95117

## Description

The Rapid Response Network (RRN) in Santa Clara County is a community defense project developed to protect immigrant families from the federal administration's deportation threats and to provide accompaniment support during and after enforcement activities in our community. It relies on a 24/7 hotline that anyone can call to report ICE activity in our county and receive help in real time! Find out how it works and what the roles of responders play and how US Citizen can stand in solidarity.
