PURPOSE

FIRST 5 Santa Clara County and Healthier Kids Foundation in partnership with dedicated county and community leaders invite you to register for our second county wide conference focused on the needs of our infants. This virtual event will explore innovative ways our community can support young children and their parents. Sign-up to discover how a timely and compassionate public system response can help ensure all infants have an equal opportunity to thrive.

We look forward to hearing from Supervisor Ellenberg, Judge Erica Yew, Dr. Sofia Mahari, Dr. Alicia Lieberman, and Fred Ferrer on an array of topics. We will cover the State of Infants in our County and the importance of investing in early childhood, the concept of Collaborative Justice Courts, and how to bring equity to infants and their families.
